

Abdelrahman Emam

Junior Frontend Developer | Angular Developer

Cairo, Egypt | +20 1122615864 | abdelrahmanacc84@gmail.com | [LinkedIn](#) | [GitHub](#)

PROFESSIONAL SUMMARY

Junior Frontend Developer specializing in Angular and responsive web development. Experienced in building SPAs with authentication, REST API integration, route guards, and reactive forms. Delivered 5+ projects across e-commerce, healthcare, and productivity domains, including a live client project. Seeking a junior frontend or Angular role to contribute to real-world product teams.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript ES6+, TypeScript, Angular, RxJS, Angular Router, Guards, Reactive Forms

Styling: Bootstrap 5, Tailwind CSS, Responsive Design, Flexbox, CSS Grid

API & Data: REST APIs, JSON, JWT Authentication, HttpClient, Firebase Firestore

Browser & Storage: DOM, RegEx, Form Validation, localStorage

Tools: Git, GitHub, npm, Chrome DevTools, Postman

PROJECTS

Receipta Pro - Electronic Receipt Management System | *HTML5, CSS3, JavaScript ES6+, Firebase, jsPDF* | Confidential Client Project - Waad Rent Cars | Code & Demo Private

- Built a full Arabic receipt management system for Waad Rent Cars, covering create, edit, delete, search, and payment status tracking.
- Integrated Firebase Firestore for real-time cloud sync across devices using a unique company key, with localStorage offline fallback.
- Implemented PDF export using jsPDF and html2canvas for high-quality printable receipts.
- Delivered a fully responsive RTL UI supporting mobile, tablet, and desktop.

FreshCart E-commerce | *Angular 17, TypeScript, Bootstrap 5* | Route Academy Final Project | [GitHub](#) | [Live Demo](#)

- Built a full-featured Angular SPA with product catalog, search, category/brand filters, cart, wishlist, and checkout flow.
- Integrated REST APIs for products, cart, and orders; implemented JWT authentication with Angular route guards.
- Integrated Stripe payment flow with success/failure state handling and real-time cart total recalculation.
- Applied lazy loading for feature modules to reduce initial bundle size.

Doccure - Healthcare Appointment Platform | *HTML5, CSS3, Bootstrap 5, jQuery, Font Awesome* | NTI Final Project | [GitHub](#) | [Live Demo](#)

- Built a multi-page healthcare platform with Doctor Dashboard, Doctor Profile, and Profile Settings views.
- Implemented responsive layouts using Bootstrap 5 grid with Slick Carousel for featured doctor listings.
- Designed a clean dashboard UI with appointment management sections and patient record views.

Luxestate - Real Estate Landing Page | *HTML5, CSS3, Bootstrap 5* | [GitHub](#) | [Live Demo](#)

- Built a responsive real estate landing page with structured sections for property discovery, services, agents, and contact information.
- Implemented clean section-based layouts, reusable UI patterns, and mobile-friendly spacing across screen sizes.

Axit - Landing Page Template | *HTML5, CSS3, Bootstrap 5* | [GitHub](#) | [Live Demo](#)

- Built a responsive multi-section landing page: Hero with free-trial form, Features, Pricing, Reviews, and Contact.
- Applied consistent layout patterns and media queries for mobile-first responsive behavior.

Bookmarker | *JavaScript ES6+, Bootstrap 5* | Route Academy | [GitHub](#) | [Live Demo](#)

- Built a full CRUD bookmark manager with create, read, update, delete, search, and RegEx URL validation.
- Persisted entries across sessions using localStorage; delivered a fully responsive UI.

EXPERIENCE

Frontend Developer Trainee | Route Academy, Cairo, Egypt

Mar 2025 – Jul 2026

- Delivered 4+ frontend projects including a full Angular e-commerce SPA and a multi-page healthcare platform.
- Implemented client-side form validation for 10+ fields using RegEx with clear user-facing error messages.
- Built reusable Angular components and standardized layouts to reduce duplicated code across project pages.
- Maintained version-controlled repositories on GitHub with branching and structured commit history.

Frontend Web Developer | Elevvo Pathways, Cairo, Egypt

Aug 2025 – Sep 2025

- Built 5+ responsive pages and UI components with consistent layouts across mobile and desktop screens.
- Resolved styling and layout issues to improve UI consistency before client delivery.

Internship Trainee | CIB Egypt, Cairo, Egypt

Sep 2025

- Completed a structured 1-week banking internship with task documentation and review.
